info on page 2

CONNECTED Seamless integration with major brand MFDs via the analog video output. WiFi communication for command and control from your tablet or smartphone.

RUGGED IP67 rating protects against water, sand, salt, and dust. Dry nitrogen purged to prevent lens fog.

CAPABLE <1 MLX MOONLESS STARLIGHT sensitivity allows you to see well beyond human eyesight.

AWARE 44° field of view increases situational awareness to spot unexpected obstacles, debris, markers, vessels, and more.

SIO C012800	White	SRP \$ 2875.00
SIO C014700	Grey - request	SRP \$ 2875.00
SIO C014900	Black - request	SRP \$ 2875.00

SEAVIEW VERTICAL MOUNT

Raises your camera 5.5" - 5.75" clearing obstructions from your camera's view. The 8" diameter base takes up very little space making it a great solution for installations where space is limited. Four pre-drilled holes for simple and easy installation.

No visible bolts on the camera mounting plate provides extra security and improved aesthetics.

SVW PM5-SXN-8	Mount	SRP \$ 568.00
