

Faria marine instruments are manufactured and assembled entirely in the U.S.A. Faria offers the industry's only transferable limited LIFETIME WARRANTY. Speedometers, synchronizers and tachometers are 4" and require a 3-3/8" hole. All other Faria gauges have a 2-1/2" bezel and require a 2-1/16" hole.

Coral

- Perimeter lighted black face
- Blue & white graphics
- Black aluminum raised bezel
- Contoured white pointer
- Flat glass lens

Euro

- Perimeter lighted black face
- Bold white graphics
- Contoured white pointer
- Flat glass lens

Euro Beige Stainless Steel

- Perimeter lighted beige dial
- Bold black graphics
- Polished stainless steel bezel
- Domed glass lens

Euro White

- Perimeter lighted white dial
- Bold black graphics
- Black aluminum bezel
- Contoured black pointer
- Flat glass lens
