

## Groco ARG Series Raw Water Strainers

The ARG series of strainers uses a one-piece sight glass, eliminating tie rods and bottom end cap. The cast bronze or stainless steel head has a spin off cap allowing easy cleaning of the S/S basket. The cap and sight glass are sealed to the head with Buna-N O-rings. The quick mounting system allows for removal of the strainer without tools. These units are listed by Underwriters Laboratories of the US for marine use. The female pipe connection size is indicated by the part number, i.e., ARG 1250 is 1-1/4".

Part #	Pipe Size	A	B	C	D	E	F	G
<b>GRO ARG 500-S</b>	1/2"	6.38	4.50	5.25	1.50	1.00	1.07	3.50
